Pediatrics | American Pediatrics | Dr. Sushil Anand *Nov 2026-Dec 2026*
Ontario, CA

Physician Associate Student
Women's Health | Glendale Memorial Hospital | Dr. Albert Nassir *Oct 2026-Nov 2026*
Glendale, CA

Physician Associate Student
Wound Care & Vascular Surgery | USC Arcadia Hospital | Dr. Elizabeth Lee *Sept 2026-Oct 2026*
Arcadia, CA

- Gained clinical exposure to vascular wound management in the evaluation of diabetic foot ulcers, venous stasis ulcers, arterial ulcers, pressure injuries, and chronic nonhealing wounds associated with peripheral arterial disease.
- Developed familiarity with wound care techniques through direct observation of sharp and excisional debridement, removal of necrotic tissue, wound irrigation, antimicrobial dressing applications, compression therapy, and offloading strategies.

Physician Associate Student
Plastic Surgery | Premiere Plastic Surgery | Dr. Omar Ahmed *Sept 2026-Oct 2026*
Pasadena, CA

- Evaluated patients during preoperative consultations, reviewing medical histories, identifying aesthetic and functional concerns, and assessing candidacy for cosmetic, reconstructive, and hand surgery procedures, including breast augmentation, abdominoplasty, carpal tunnel release, etc.
- Monitored postoperative recovery through follow-up examinations, inspecting surgical incisions, evaluating wound healing, and identifying complications such as hematomas, seromas, infections, and wound dehiscence.

Physician Associate Student
Plastic Surgery | Integrative Med Spa Plastic Surgery | Dr. Dev Wali *Sept 2026-Oct 2026*
Claremont, CA

- Observed reconstructive and oncologic breast surgeries, including reduction mammoplasty, mastectomy, breast reconstruction with acellular dermal matrix and tissue expanders, and autologous fat grafting with abdominal fat harvest for bilateral breast augmentation and aesthetic contouring.
- Gained intraoperative exposure to facial mass excision, skin grafting, surgical dissection, tissue handling, hemostasis, and wound closure techniques.

Physician Associate Student

General Surgery | Emanate Health | Dr. Raffaele Corbisiero *Sept 2026-Oct 2026*

West Covina, CA

- Conducted preoperative and postoperative evaluations for patients with cholelithiasis, acute cholecystitis, appendicitis, bowel obstruction, sigmoid volvulus, and abdominal wall hernias.
- Assisted in surgical procedures through tissue retraction, suctioning, irrigation, suturing, wound closure, and maintaining sterile technique throughout operations.
- Participated in postoperative management through wound assessments, dressing changes, surgical drain monitoring, and evaluating patients for complications such as surgical site infections, abscesses, and wound dehiscence.

Professional Experience

Medical Scribe

Rancho Family Medical Group (General Family Medicine) *Jan 2025-Jun 2025*

Temecula, CA

- Documented comprehensive SOAP notes for 2,000+ family medicine encounters, including histories, examinations, assessments, and provider-directed treatment plans under Dr. Gerardo Hizon MD, FAAFP, CAQSM, RMSK.
- Recorded care for acute complaints, chronic disease management, preventive visits, medication adjustments, and follow-up evaluations.
- Reviewed and organized laboratory, imaging, and diagnostic results for provider review and documentation.
- Maintained accurate EHR documentation, updated patient charts, and assisted with coding documentation for office-based and POCUS-guided procedures.

Medical Scribe

Cucamonga Valley Medical Group (Dermatological Procedure Outpatient Clinic) *Dec 2022-Dec 2024*

Upland, CA

- Assisted Steven Sanders PA-C for dermatologic biopsies and procedures, ensuring patient comfort and efficient procedural workflow.
- Supported encounters for acne, eczema, psoriasis, and suspected skin cancers through history collection and documentation.
- Prepared pathology orders and processed biopsy specimens for histopathologic evaluation.
- Documented treatment plans, procedure techniques, and follow-up recommendations within the EHR.
- Reinforced patient education regarding diagnoses, treatment regimens, wound care, and post-procedure instructions.

Medical Scribe

Cucamonga Valley Medical Group (General Family Medicine) *Sept 2022-Dec 2024*

Fontana, CA

- Obtained and documented pertinent patient histories, chief complaints, and interval updates for family medicine visits under multiple medical providers.
- Prepared provider-directed referrals, imaging orders, and follow-up documentation within eClinicalWorks.
- Maintained accurate EHR documentation, including histories, assessments, treatment plans, and visit summaries.
- Supported efficient clinic workflow by coordinating closely with the provider throughout patient encounters.

Social Media Manager & Wholesale Distributor

The Sneaker Lounge (Formerly Known As The Liq San Diego) *Dec 2021-Aug 2025*

San Diego, CA

- Developed and executed social media marketing strategies across Instagram, TikTok, and other digital platforms, producing engaging video content, managing paid advertising campaigns, strengthening brand visibility, and customer engagement.
- Applied self-taught computer programming skills to develop and optimize automated sneaker purchasing systems, streamlining inventory acquisition, and maintaining a consistent supply of high-demand merchandise for retail operations.
- Cultivated strong relationships with customers, retail partners, and suppliers through personalized service, effective communication, and strategic networking, fostering customer loyalty, repeat business, and long-term professional partnerships.

  - Assisted in leading meetings focused on PA career development and professional topics.

Kapatirang Pilipino (Filipino Culture Association), University of California, Santa Barbara Sep *2018- Jun 2022*

- *Logistics Coordinator* *2021-2022*
  - Coordinated venue selection, reservations, and logistical arrangements for cultural events, ensuring seamless execution and an engaging experience for attendees.
  - Developed culturally inclusive menus that represented the diverse backgrounds and traditions of participating communities, promoting cultural appreciation and inclusivity.
  - Oversaw event operations and coordinated with organizational leadership, performers, and volunteers to ensure efficient production, timely execution, and successful event delivery.
- *Financial Chair* *2019-2020*
  - Oversaw financial operations and mentored team members in coordinating the collection of participant fees, ensuring timely payments and accountability throughout cultural production planning.
  - Organized and scheduled fundraising initiatives to secure financial resources necessary for the successful execution of cultural events and productions.
  - Guided and supported organization members in developing and implementing individual fundraising strategies, promoting collaboration, financial responsibility, and successful fundraising outcomes.

Shadowing Experience

Physician Associate Student

Physician and PA Shadowing/Volunteering *Sep 2026-Present*
American Academy of Dermatology - Operation SunSCREEN (Association of Military Dermatologists)
Dr. W. Hugh Lyford, MD, FAAD ***(West Dermatology - Platinum Dermatology Partner)***

- Conducted patient intake and preliminary dermatologic assessments, eliciting lesion concerns and presenting findings including nevi, seborrheic keratoses, actinic keratoses, and lesions suspicious for BCC, SCC, or melanoma to medical providers prior to evaluation at the Miramar Air Show.
- Educated patients on melanoma warning signs and skin cancer screening criteria and assisted with coordinating referrals to local licensed dermatologists based on patients' insurance coverage for further evaluation and management.
- Chaperoned full-body skin examinations and shadowed medical providers during evaluation of atypical and suspicious lesions, reinforcing clinical recognition of common benign, premalignant, and malignant dermatologic conditions.

Pre-Physician Associate Student

Physician Associate Shadowing, Arrowhead Orthopaedics Department of Spinal Surgery *Mar 2023-April 2023*

Christina Maclean PA-C

- Reviewed spinal imaging (X-rays, CT scans, and MRIs) and clinical findings to understand surgical indications and treatment planning.
- Gained exposure to common spinal disorders, neurologic examinations, and preoperative patient evaluations.
- Learned patient counseling related to surgical expectations, rehabilitation, activity restrictions, and postoperative precautions.

Pre-Physician Associate Student

Physician Associate Shadowing, Loma Linda University Department of Dermatology *Aug 2019-Sep 2019*

Justin Love PA-C

- Followed the evaluation and management of common dermatologic conditions, including acne, eczema, psoriasis, and skin lesions.
- Gained exposure to dermatologic procedures such as biopsies, excisions, cryotherapy, and other in-office treatments.
- Reviewed clinical decision-making related to differential diagnoses, treatment plans, pathology results, and follow-up care.
- Learned patient counseling approaches regarding medications, skincare regimens, wound care, and treatment expectations.

Volunteer Experience

Child Life Volunteer

Loma Linda Hematology/Oncology Clinic *May 2023-Jan 2025*

- Engaged with adolescent oncology patients, providing compassionate emotional support and fostering a positive, patient-centered environment throughout treatment.
- Facilitated age-appropriate recreational and therapeutic activities to promote emotional well-being, alleviate treatment-related stress, and provide distraction during chemotherapy.
- Maintained a clean and safe clinical environment by sanitizing playroom equipment, toys, and shared surfaces in accordance with infection prevention protocols to protect immunocompromised patients.

House Volunteer

Inland Empire Ronald McDonald House *Mar 2023-Jan 2025*

- Maintained a clean, welcoming, and sanitary living environment by disinfecting guest rooms, communal spaces, and frequently used facilities to support the health and comfort of families.
- Prepared and distributed nutritious meals and snack packages to families of hospitalized patients, helping alleviate daily responsibilities during periods of medical hardship.
- Supported the well-being of families facing medical crises by maintaining a safe, comfortable, and supportive environment throughout their loved ones' hospitalization.

Donations Volunteer

Family Service Association of Redlands Homeless Shelter *Mar 2023-Dec 2025*

- Coordinated the sorting, organization, and distribution of donated clothing to support unhoused individuals and families experiencing socioeconomic hardship.
- Monitored and maintained food inventory by identifying and removing expired products, replenishing nonperishable goods, and organizing fresh produce to ensure safe and accessible food supplies.
- Assisted individuals experiencing homelessness with selecting and transporting essential food items, providing compassionate, respectful support while addressing immediate nutritional needs.
